

5-day STTP & FDP on “Contemporary Robotics: Innovations, Trends & Practices”, May 18-22, 2026

About IIIT Kottayam

The **Indian Institute of Information Technology Kottayam (IIIT Kottayam)** offers a diverse range of academic programmes at undergraduate, postgraduate, and doctoral levels, including B.Tech in Computer Science and Engineering, Electronics and Communication Engineering, Cyber Security, and Artificial Intelligence & Data Science, along with M.Tech, integrated M.Tech, e-M.Tech, and Ph.D. programmes across CSE, ECE, and Mathematics domains.

The **Department of Electronics and Communication Engineering** focuses on building a strong foundation in electronics with interdisciplinary exposure to areas such as signal processing, VLSI, embedded systems, communication networks, and emerging technologies like AI and IoT.

The **Department of Computational Sciences & Humanities** complements the technical curriculum by integrating mathematics, computational methods, and humanities, thereby supporting analytical thinking, interdisciplinary learning, and holistic development of students.

About iRobotics research group

Established with the objective of advancing robotics through effective knowledge transfer, this research group focuses on the design, development, integration, and prototyping of robotic systems and their constituent modules. The group comprises faculty members and scientists from leading institutions across the globe, whose collective mentorship enables students to transcend conventional boundaries and engage in innovative, application-driven robotics research and development.

About the program

This program covers:

- Fundamentals and foundations of Robotics
- Briefing on Microprocessors and Microcontrollers
- Mathematical modelling of robots
- Embedded Systems Design
- Security, privacy aspects of Cyber Physical Systems
- IoT technologies – recent developments
- Fuzzy logic Controllers
- Including **8 dedicated lab practice** sessions

Who can attend?

- UG students: Pre-final year onwards
- PG students
- PhD scholars
- Faculty
- Industry people & all others who are interested in robotics

Fee structure (in INR ₹)

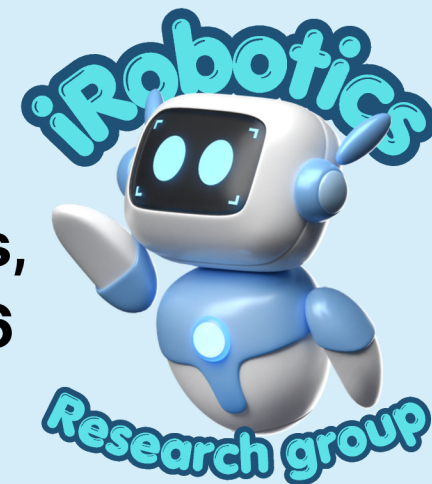

Type	Online	Offline
UG/PG	1000	1800
PhD	1500	2300
Faculty	2000	2800
Industry/others	3000	3800

Accommodation

The accommodation cost per head will be
₹100 per day (sharing)

Contacts: 04822-202205/2256/2177 ; email: santhos@iiitkottayam.ac.in

5-day STTP & FDP on
**“Contemporary Robotics: Innovations,
Trends & Practices”, May 18-22, 2026**

Patrons

- **Prof. Prasad Krishna**
Director i/c, IIITK
- **Dr. M. Radhakrishnan**
Registrar, IIITK
- **Prof. Ashok S**
Professor i/c, IIITK

Convenors

- **Dr. A. Ananth**
Head, Department of ECE
- **Dr. Asha Sebastian**
Head, Department of CS&H

Organizers

- **Dr. S. Venkatesh**
Assistant Professor, ECE
- **Dr. Riyasudheen TK**
Assistant Professor, CS&H
- **Dr. Santhos Kumar A**
Assistant Professor, ECE

Registration

Link:

<https://forms.gle/aCHUsYQWpaeQsrDVA>

Deadline: **May 15, 2026, 05:30 p.m.**

Payment procedure

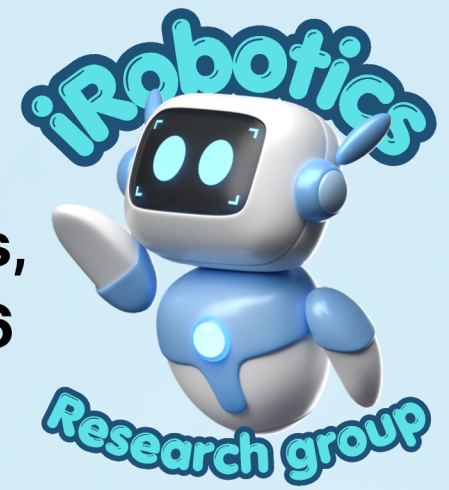

Scan to register

1. Head to
<https://onlinesbi.sbi.bank.in/sbicollect/collecthome.htm>
2. Select category: Educational institutions
3. Search IIIT Kottayam
4. Select payment category as “FDP on contemporary Robotics Innovations, Trends”
5. Pay the amount as per your category
6. Take a screenshot of your successful transaction or obtain the online receipt of payment
7. Use the screenshot for registration

Food & High Tea

- Food expenses will be **₹300 per head, per day (three meals)**
- Only lunch, will cost you **₹150 per head, per day**
- High Tea will be served twice/day free-of-cost

5-day STTP & FDP on
“Contemporary Robotics: Innovations,
Trends & Practices”, May 18-22, 2026

Resource Persons – Internal (IIIT Kottayam)

Dr. S. Venkatesh
Assistant Professor

Dr. Riyasudheen TK
Assistant Professor

Dr. Santhos Kumar A
Assistant Professor

Dr. Murugan D
Assistant Professor

Dr. AV Prajeesh
Assistant Professor

Resource Persons – External

Dr. Bhanu Chander
*Assistant Professor,
CSE department,
ABV-IIITM Gwalior, India*

Dr. Tholkappiyan R
*Research Scientist,
Department of Physics,
Khalifa University of Science and Technology,
Abu Dhabi, UAE*

Dr. V. Raja
*Scientist,
Centre for Sustainable Energy Technologies
SRM Group of Institutions, Ramapuram campus,
Chennai, Tamil Nadu, India*
